

## **MBE Worldwide reaches 1,000 locations in Directly Operated Countries**

**Milan, Italy (July 31, 2018)** – MBE Worldwide, one of the largest third-party logistics, printing, marketing and communication services networks, with over 2,500 Service Centers globally, is proud to announce a new milestone in its Network growth: 1,000+ overall locations in Directly Operated Countries (DOC) - Italy, Spain, Portugal, Germany, France and Poland.

On July 2<sup>nd</sup>, in just one day, three new MBE Service Centers have been opened in Saint-Loubès (France), Porto (Portugal) and Gottmadingen (Germany), going from 998 locations to precisely 1,001.

“In the same year in which MBE is celebrating the 25th Anniversary since the opening of the first Pilot Centre in Milan, I’m very proud to announce another great achievement for our Network” - said Giuseppe Rudi, COO MBE Worldwide - “In our Directly Operated Countries we reached now 1,000+ locations and this is the result of strong passion coupled with managerial discipline that our team applies every day.”

This is a great achievement for both MBE Worldwide and each and single local team performing in MBE Directly Operated Countries to serve in the best way our private and business customers.

MBE Directly Operated Countries Corporate Staff, Area Franchisees and Master Licensees around the World are growing MBE business by repeatedly exceeding customer expectations. That’s what at MBE we call #PeoplePossible: MBE Global Network’s vocation of continuously finding new tailor-made solutions to meet customers’ daily challenges.

### **About MBE Worldwide**

MBE Worldwide S.p.A. (“MBE”), a family-owned Italian holding company based in Milan - Italy, is one of the world’s largest networks of conveniently located Service Centers offering outsourcing solutions for shipping, logistics, printing, marketing and communication to business and private customers. MBE Service Centers, owned and managed by independent entrepreneurs and supported by experienced service teams, offer consumers and small and medium-sized enterprises, customized outsourced solutions to support their businesses and activities becoming more effective and productive.

In 2017, with the acquisition of AlphaGraphics and PostNet (two US companies with a service offering similar to MBE), MBE expanded its global network to ca. 2,500 locations in 44 countries, with combined System-wide Sales of approximately \$910 Million (FY2017).
